Re: Notification of Substantive Change, Telecommunications Relay Service and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123.

Dear Ms. Dortch:

This Notice of Substantive Change is being provided pursuant to 47 CFR § 64.606(f)(2) regarding a substantive change in Purple Communications, Inc. ("Purple") services and features.

On February 21, 2019, Purple launched One VP, a new videophone solution for the living room or home office. Users can receive call notifications while streaming movies and send text and numbers to the interpreter from a custom remote or directly from their mobile device.

Purple does not expect these changes to affect its compliance with applicable minimum standards.

Respectfully submitted,

PURPLE COMMUNICATIONS, INC.
